iii.	New Louisville balls for league	We have purchased 33 cases of Women's 47 core/Men's 44 core.	New balls have been ordered. Teams will need to use 2 new balls for 1 st few games to ensure only new balls being used. Date for distribution is still to be determined.
iv.	NSA Rep for island to attend AGM	Bert Forest our NSA rep for the island is going to attend the AGM and will answer questions	Rep was a not available to attend, anyone wanting to address anything with the NSA rep can request through NSA site.
v.	The Document	This is going to be updated; I want to provide all the changes before emailing out to coaches and team reps	President will review all updates needed and process and provide team reps with new version as soon as available.
2. New Business			
	Placement of teams and tiers (sizes) from last year's standings	Need to confirm teams and numbers first to determine what we have for the 2026 season.	Fees are due by March 31st to confirm participation. Once all teams are confirmed, this will be addressed. Nothing will be set or decided until we have all team fees received.
	Head Umpire & Allocator roles	Claude – Head Ump, Chris – Allocator Document to be updated	Claude is the new head umpire, and Chris Slater is the new allocator. President will update document to explain their roles Chris Slater is the new allocator. President will update document.
	Keys Existing teams – keys for new teams	Jenn (Vice) to speak on this and the new process	All league keys must be returned. Locks are changing to a fob system, including at Valley View. Lost fobs will incur a cost. Still waiting for information from Lewis Centre as to cost. When these will be available to distribute and collect old keys.
	Sportsmanship Committee	Existing members, continue or new members to volunteer	The confidential sportsmanship committee is seeking volunteers. Need at least 5 committee members to volunteer please contact executives if you and wanting to be a part of this.
	New senior league using spare equipment at Lewis Park	Brought to league by Crystal Olke (old Grind player)	The league will donate spare bases and balls to the senior league. President & Vice will be meeting with members to provide this equipment to senior's league once we gain access to Lewis's equipment room.
	Storage of spare equipment	Not used for league play, where should this be stored VV fields and need volunteer to build shelving	Equipment inventory will be reviewed to determine the need for additional storage solutions, ie: new lock boxes for Lewis's diamond 3 and possibly 1 more at Valley View. Also, to address the shared equipment with Minor Ball.
	Proposed that Hammy's Angels be a league team and play in mixed/coed league play	Vote on acceptance of this team being able to play in the league despite the 5&5 or 6&4 rule.	Wording adjusted in CV Slopitch rules to allow for this team to play in mixed co-ed league. President to confirm the team will be covered under NSA insurance.
	Follow NSA rules & adopt the 1 & 1 rule. Minor modifications for our certain league rules	Brought forward at the year-end meeting to be discussed. Committee to be formed to address this prior to AGM	1 & 1 rule not passed and maintaining the rule of 4 straight balls for a male to proceed to 2 nd base when a female batter follows. President will revise all rule changes and send out CV Slopitch version of rules to team reps and to Claude for umpires.
	League switch to 6/4 format from 5/5	This has been a very popular agenda item; many team reps have put it forward	The motion for six and four was passed with a vote of 13 (max of 6 men on the field, unless EPs are used then there will be max 7 in line up)
	Catcher to wear protective gear ie; facemask		Discussed and determined that this is players choice (not mandated). Suggested that coaches could have a mask available for players to use if wanted.
	Tournaments using league spare equipment	Proposed liability form for replacement and damage, example available	A determination that tournaments can use the spare equipment if waiver is signed, and coordinator is responsible to replace or repair any damaged equipment. Not enough home plate mats are available in
