

Club Fees

At the Yellowknife Ice Volleyball Club, we understand that playing sports is an important part of youth physical and mental development. With that in mind, we do our best to ensure that costs are kept as low as possible so that it is not a barrier to participating. We're very grateful for our amazing sponsors, who's financial contributions help offset costs.

We are a non-profit club and fees are set, based on each individual athlete's level of participation.
