U7 Convener: Emily Sheldrick

-We ran 4 teams last year and would like to run 4 teams again this year with a split of 2 upper tier teams and 2 lower tier teams to make sure they are competitive with the surrounding associations.

Already have 4 new instructors who are ready to get their qualifications, but they need to apply for VSC or a screen shot showing they have submitted for it.

U7 coach day, would be good to have a few senior coaches out to help.

Sorts usually have high school kids assisting, and can't play games until Dec. 15 so teams will be made closer to that date.
