-Nic discussed the idea of becoming a registered association. If we were we could be sponsored larger donations from big companies like Hydro and Lactalis as examples. Mike shared to be registered there is a fee and there is failure to file penalties once you become registered.

-Nic will reach out to Nik Paas for evaluators list

-Tara Greer brought up having sponsor on bottom of new jerseys and name bars would go on top. That is the plan

-Brodie mentioned with late coach selection this season we should potentially look into U11 Silver stick tournament registration ahead of time. Cheryl will investigate it.
