Overview

While Spring is the main season for Lacrosse, Fall-Ball is a great way to either maintain/grow your skills or start from new. It is Sept-Oct, with practices/games only on Sundays, potentially culminating in a tournament (last weekend of Oct or first of Nov). We understand and respect that not everyone is willing/able to participate on Sundays. The Sunday schedule generally avoids interference with other Fall sports (recreational soccer / football / cross-country / etc) (many kids will do these other sports weekdays/Saturday and then a few hours of Lacrosse on Sunday). Depending on registrations, Fall-Ball commonly is combined Northshore teams (kids from Bothell+Ingelmoor+NorthCreek).
