

HIGH BRIDGE YOUTH BASKETBALL

A recreational basketball league for all skill levels and experience.

“We are a R.E.C. League”

Respecting players, coaches, officials & fans.

Encouraging participants to perform to their best potential.

Coaching fundamentals of the sport and sportsmanship.

High Bridge Youth Basketball (HBYB) Volunteers,

As a volunteer for HBYB, your time and talents directly impact the participants in both their development in the sport of basketball and also their development of personal character. A childhood sports coach is not only a teacher of the sport but also a mentor and a role model to the children in this league. Respect, positive reinforcement and encouragement for all players, other coaches, parents, officials and fans is expected as volunteers of HBYB. As a recreational basketball league, HBYB welcomes children of all skill levels and experience to join and allow all participants equal opportunity to play and develop their basketball abilities. Winning and losing, while a natural byproduct of sports, should not be the driving force towards the methods and styles of coaching used during the season. The main goal in HBYB is for each participant to develop and be proud of their personal and team efforts and to be excited to come back to play again.

The HBYB board thanks you for volunteering and welcomes you to join us in our commitment to keep High Bridge Youth Basketball a “R.E.C.” league.
