PO Box 862, Parksville, BC

Oceanside Minor Baseball Association is a vibrant, registered non-profit, volunteer driven sports organization dedicated to providing the youth of Oceanside with enriching baseball experiences. We foster a positive environment where young athletes, aged 5 to 18, can develop their skills, build friendships, and cultivate essential character and leadership qualities.

Affiliated with the BC Minor Baseball Association, OMBA offers structured programs catering to all skill levels. Our seasons include:

- Spring/House Season (April - June): Focuses on skill development and teamwork in a fun, inclusive setting.
- Summer/All-Star Season (July - Mid-August): Provides competitive opportunities for advanced players.
- Fall/Development Season (September - October): Focuses on further skill refinement and preparing players for the next season.
- Winter / Gearing Up Season (January - March): Indoor training and skill preparation for the upcoming spring season.

To ensure our programs remain accessible and of high quality, OMBA relies on the generous support of community sponsors. Your contribution directly impacts the affordability of registration fees, ensuring baseball remains one of the most accessible organized sports in Oceanside.
