# WELCOME LETTER

We're excited to introduce Nelly Belly's Adult Sand Volleyball League, a brand-new community program built around fun, fitness, and friendly competition! Our league will bring together adults from across NEO for weekly matches and social events throughout the summer.

As we prepare for our inaugural season, we're seeking dedicated sponsors who share our passion for community, recreation, and growing local connections. Sponsorship is an opportunity not only to support an active and positive lifestyle initiative but also to highlight your business before hundreds of local residents.

Your sponsorship will help cover essential expenses such as player team shirts, equipment, venue maintenance, and prizes all while giving your brand valuable exposure through "walking" billboards, social media shout-outs, promotional materials, and league events.

We offer several sponsorship tiers to fit different budgets and marketing goals, and we'd love to tailor a package that works best for you. We'd appreciate the chance to discuss how we can partner to make this season an incredible success for both our league and your organization.

Thank you for considering supporting our new league.
