Called to Order:

Called to order and welcomed by the President (SF) at 19:03pm

Acceptance of Minutes:

Acceptance Motion for Approval of minutes from August 4, 2026, by Nancy Clarke; Seconded by Becky Massey. Carried.

Presidents Report:

D1/UCMHL RECAP – Soft schedule has been released. Made a plea to the other associations to follow the guidelines set out by UCMHL in terms of team declarations. This was done as promised to our U15 parent group from last year. It was a tough season for them. Three teams didn't have a B house team which made their C house teams very strong. Mike helped with the data compilation.

BALL TOURNAMENT RECAP: Thank you to everyone who helped out at the ball tournament. Despite being down 2 teams, we still raised **$2726.62**, a little shy of our $3000 goal. Thank you again to Canadian Log Homes in support of the canteen. We shopped better and didn't have much left. The fundraising committee is working to confirm our fundraising efforts for the season and should have that list finalized for our next meeting. **$7,273.38 to go to achieve $10,000 goal!** Some of the committee went to a trivia night for research purpose last night. I was unable to attend because the UCMHL meeting was moved to the same date and time.

LOTTERY: We agreed to move to a calendar format. $200 to recoup per player, I think that we go with 10 calendars to sell at $20 each. 12th Day of Christmas theme. Two draws each day between Dec 1st and 12th. We will make 24 people very happy right before Christmas. We will be able to apply for the license once the U9 tryouts have been completed on September 15th or so. Our goal will be to distribute the lottery to teams by October 20th at the latest. Deadline to have everything handed back to the executive can be late November. This gives them over a month to sell the calendars.

SENS NIGHT - Sunday, March 14 vs. Vancouver. March Break went quite well for us last year.

SPENCERVILLE HOME HARDWARE: Spencerville Home Hardware will be the official puck sponsor of SGMHA. They will be providing us with 200 pucks with their logo on it for use this season. They also plan to offer rewards to our players – there will be a **HAT TRICK AWARD and a SHUTOUT AWARD**. They will let me know how they want to reward the players and we will communicate this to the coaches and managers.

COACHING CLINICS: Dev 1 is September 20th and Coach 1 is October 24th

COACH AND MANAGER MEETING: Scheduled for **Wednesday, October 7th** for this meeting in Johnstown, need to see if the hall is available. I will need our executive present as well, or at least those who interact with the bench staff on a regular basis.

HOUSE COACHES: We conducted interviews in Johnstown over two evenings (20th and 24th).
No one was competing for a spot which was nice. We have decided to go with the following candidates as the interviews went well, all coaches have coached before and did a good job at that time. We do have some gaps that will need to be filled but this is what we have right now:

U9 T3	
U9 T4-1	**James McConnell**
U9 T4-2	
U11B-1	**Pat Brown**
U11C	
U11C	**Ryan Robinson**
U13B	**Brent Pihney**
U13C	
U15B	**Jason Van Lanen**
U15C	**Joe James**
U18B-1	
U18B-2	

Past President:
The Leo sanction has been approved, registration is now open and the tournament will take place March 25-28 this year which happens to be Easter Weekend. Usually, a great tournament when it takes place on Easter Weekend.

Vice President and Tournaments:

Submitted sanctions for tournaments and they were approved and posted today. Working with Bryce to get our website updated with links and officially start registration. Scheduled all of the referee interviews, Shane to provide more information

Treasurer Report:
Working on cutting up an excel sheet so that a screen share can happen, looking to have that in place for next meeting.
Balances and payments - Main account $89,283.04 – Deposits 31 July to today – Registration was the bulk $21,538.19, we paid insurance $1,485 insurance and HEO sanctions $968, Bank fees $14.25. $475 outstanding cheques that haven't been cashed and this does not include ball tournament

Fundraising Account $1,348.43

Rules & Discipline:
Quiet at this time. Working on putting together a list of carry over suspensions and now that most of the coaches are selected, they will be notified.

Discussed possibility of four teams at U15 and two teams at U18. Numbers didn't work for that scenario as we had too many to roster for U18 and kids would have to sit. It was decided to go three and three. We will allow imports at U18 Rep to aid with our roster numbers and the competitiveness of the rep team in the league. We also stated that it was important for the U18 division to use their affiliates as much as possible. Motion to accept team by declarations, Nancy, Seconded by Mike – CARRIED
