Presidents Report:

"Thank you to everyone for your support throughout the season. For taking the time and energy to make this year a success for the kids. I appreciate everything you've all done for our association. Thank you to those who go above and beyond and show up to our events, tournaments, and fundraisers. Our sub-committees didn't meet much this year; my time was consumed with disciplinary issues that had to come first so organizing those meetings fell to the wayside. We had many obstacles this year. I feel that we will come out of it stronger and ready for any challenge that comes our way in the future."

Coach Evaluations: Sent out Friday night (April 10th). We need to adjust that process next year. Something to revisit in the coming year.

Great news from the grant application:

Prescott - \$7500 in cash. Council also approved the application of the non-prime time rates for SGMHA tournament fun days. The in-kind request to waive the rental fee of the Leo Boivin Community Centre for the 2026 SGMHA Banquet was also approved.

Augusta - \$2500 in cash. Confirmed earlier this week.

Edwardsburgh/Cardinal – anticipating \$2000 but not yet confirmed. SF did some investigating and watched their April 13th council meeting that was posted online to see that this amount has been proposed. I also wanted to mention that their ice is much cheaper than Prescott's because they discount our ice already. This was brought up at the Tri-Council meeting that SF attended.

Other:

SGMHA received a cash donation from The Row in the amount of \$500 to SGMHA. A huge thank you!

Playoff Results:

U11 Rep Pool A – Bronze

U11 B Pool B – B2 Silver, B1 Bronze

U11C Pool B – Bronze

U13B - Bronze

U15 Rep Pool B – Gold

Fantastic job! Our U11 division was quite successful this season.

Past President/Leo Chair:

First, and foremost, I want to thank everyone for volunteering at the 52nd edition of the Leo Boivin Showcase. The success of this tournament and its longevity can only be accomplished with a dedicated group who put their heart and lots of time into it.

We had a great group of teams from far and wide! A great mix of new teams and regular returning teams - from Northern Ontario to Prince Edward Island.

SGMHA families stepped up when we asked about billet families. This is a long standing tradition with the Leo that had not taken place since 2019. The players, coaches and management from Mount Academy were amazed with everything about the Leo and having a "home away from home" with great home cooked meals and an instant fan base was icing on the cake!

Our sponsors never disappoint and this year we added some new faces/businesses. I have already been contacted about next year from a couple.

At this time, I am waiting on a couple of invoices as well as sponsorship payments that are coming from head offices.

I will have the Tournament Reconciliation wrapped up as soon as I can - within the next 10 days. I will send it out to the executive as soon as it is completed. I will present the document at the AGM in May as well.
