NEW EQUIPMENT

LYHO Meeting Minutes

December 2024

Netting: On hand. The board needs to figure out a way to hang and secure them to the dividers.

Gear Bags: Julie reported that she just received word that CCM will not be shipping the rest of the order. Discussion had re: placing another order through HockeyMonkey or Pure Hockey to complete the rental bags. The board voted and approved. Julie placed the order during the meeting- expected arrival around Mid December.

Dividers: We still need to modify the dividers so that there is a way to keep them together while they are being moved, when it is windy etc. This could be looked at when the netting is figured out.
