TREASURER'S REPORT – Deferred to next meeting due to illness.

BUSINESS

Coaching Update

18u Helena Recap: Tough competition, both teams played very hard. The competition level is going up every year. The Bighorns game was a success and all families seemed to enjoy the game.

Food Reimbursement- Motion made, voted on and passed to reimburse Julie for fruit and snacks purchased for 18u games. Julie will pass receipts on to Kendra.

12U

-Pre-tournament practice/BBQ will be Thursday. Shawn will pick up more food to cover the whole group. We will ask parents to cook and help out if available.

-Moriah booked a room at the Pizza Ranch. The board voted and approved to cover costs for families up to \$600 to match 18U activity spending. Rob will communicate with Kendra and Moriah to figure out the details.

Glasgow: Rob is still waiting to hear back on End of Year hockey weekend. Ice time and pizza costs were discussed and tabled until the event is confirmed. Once we get confirmation, Shawn will call the Cottonwood for a room block.

Youth Shed: Joe Kirsch has agreed to wire the youth shed this summer. He is asking that LYHO pay for supplies and will donate labor. A heater will need to be purchased by LYHO so he can determine what needs to be wired. If a heater is installed, we should probably look at insulating the shed. Shawn will talk to Riley McCoy.

Gear

Gear return will happen sometime in the next month on a selected day- not just an open request to return them to the green house. Families will be notified of the date on the Heja app. Julie will need a cash bag ~\$1000 for return reimbursement.

Fundraising

Chokecherry Fest- Booth booked. Further planning will happen over the summer.

Other event ideas: Family skate night or Roller hockey game, Dinner at the Rink, Selling more calendars and utilizing the Chuck-a-puck supplies that were purchased previously.

Off season

There was talk of trying to start a dryland workout session in the park over the summer. This can keep kids conditioning through the summer and also keep hockey relevant in the off season. We
