

EBA Player Registration Process

Please follow the steps below to complete your EBA player registration. **All information must be accurate and complete** to ensure your player insurance can be properly validated.

STEP 1: Open the Registration Form

Click the link below to access the EBA Player Registration Form:

[EBA Player Registration Form](#)

STEP 2: Sign In to Google

If you have a Google account, you can sign in at this time. Google may automatically sign you in if you are already logged into your account.

Don't have a Google account? No problem — you can skip this step.

Click **Next** to proceed to the **Personal Information** section.

STEP 3: Enter Your Personal Information

Please complete **all required fields** with your correct and current information.

It is extremely important that all information is accurate. The information you provide is used to validate your player insurance through the league, so incorrect information may affect your insurance coverage.

You will be asked to provide:

- First Name
- Last Name
- Address
- City
- Postal Code
- Date of Birth
- Phone Number
- Email Address

Once you have completed this section, click **Next** to proceed to the **Team Information** section.

STEP 4: Select Your Team

Select your team name from the **drop-down menu**.

Teams are organized first by **division** and then by **team name in alphabetical order**.

Example:

If you play on a Women's 3rd Division team called *Ballers*, you would select:

W03 - Ballers

Once you have selected your team, click **Next** to proceed to the **EBA Waiver** section.

STEP 5: Review & Accept the EBA Waiver

Please review the EBA waiver by clicking the link provided in the form.

Once you have read and reviewed the waiver, return to the form and read the **Acknowledgement** section.

Check the box provided to indicate your acceptance. **This checkbox serves in place of your signature.**

Once you have completed the waiver section, click **Submit**.

Registration Complete!

Your player registration is complete once you see the confirmation screen:

“Your response has been recorded.”

If you do not see this confirmation message, your registration may not have been successfully submitted. Please contact the EBA if you are unsure whether your registration was received.
