A Great Start to the CVC Season

On October 4th, we officially kicked off the season by bringing together our athletes and their families to meet the board, connect with coaches, and welcome new members to the CVC community! A huge thank you to all the parents who volunteered their time to help set up and make the event such a success. We also want to thank everyone who contributed to the amazing potluck — what a fantastic spread!

Our bottle drive was another highlight, raising an impressive \$557.15 thanks to your generous donations!

We couldn't have asked for a better way to start the season. Thank you to everyone who joined us and helped make the day so special. We're looking forward to an exciting season ahead!

IMPORTANT DATES

- **First day of season practice is December 1st!**
- **U16 Canmore Tournament December 6th**
- **U15 Osaxman Tournament December 20th**

AGM & Elections: Call for Nominations

CVC is seeking interested individuals to join our Board of Directors to help guide the continued growth and development of volleyball in our community.

For the upcoming Annual General Meeting (AGM), there are two board opportunities available:

Treasurer — Director Vacancy

Experience or interest in financial management, budgeting, bookkeeping, nonprofit finances, or governance would be an asset, but individuals who are committed to supporting CVC and willing to learn are encouraged to express their interest. The successful candidate will serve as a Director and, following the AGM, the Board will select its officers, including the Treasurer.

Chair + Secretary - Up for Election

The Director position currently serving as Chair + Secretary is up for election at the AGM. The incumbent Director is seeking re-election.

Directors are elected or acclaimed by the membership at the AGM. Following the AGM, the Board of Directors determines the officers and their respective responsibilities.

Who Should Apply?

CVC is looking for people who are passionate about volleyball and our community and who are interested in contributing to the long-term success of the Club. You do not need to be a volleyball coach or technical expert to serve on the Board. Skills and experience in areas such as finance, governance, administration, communications, fundraising, sponsorship, marketing, risk management, business, or community development can all be valuable to CVC.

How to Express Your Interest

If you are interested in serving on the CVC Board of Directors, please complete the [Expression of Interest Form here.](#)

Expressions of interest will be reviewed in advance of the AGM and contacted a CVC representative. Eligible candidates will be presented to the membership for election or acclamation in accordance with the Club's governance requirements.
