

EDMONTON FORZA FOOTBALL CLUB FINANCIAL AID

We understand that registration fees for sports can be a costly expense for families every year. Edmonton Forza FC will work with families to assist with fees when necessary. The cost of the Forza FC program is comparable to other club soccer programs in the Edmonton and surrounding area. Financial assistance can be arranged for Forza FC players and we accept registrations through both Kidsport and Jumpstart. These organizations help families in lowering registration costs. To find out more information about these programs please click the website links below. If you have any questions about the application please email andre@edmontonforza.com

KidSport - Kidsport will cover up to \$250 per person per year.

Jumpstart - Jumpstart will cover up to \$300 per activity.
