RECRUITMENT GUIDE

2026-2027

OUR PROGRAM

The Fort Saskatchewan Hawks are a founding member of the Capital Junior Hockey League (CJHL). Founded in 1972, the organization has been a staple in the Fort Saskatchewan community for over 50 years.

With a commitment to excellence, the Hawks have found success providing players with the opportunity to continue their hockey careers in a competitive environment, and to provide a stepping stone for those looking to advance to the next level. The organization's success culminated with the team capturing the 2014-2015 Capital Junior Hockey League Championship.

OUR COMMUNITY

The City of Fort Saskatchewan is located 10 minutes northeast of Edmonton, with a population of approximately 30,000.

With a rich history dating back to 1875, “The Fort” features a wealth of amenities, strong cultural roots, and a thriving community. The area also features many industrial plants and workplaces, providing employment and economic benefit to the community.

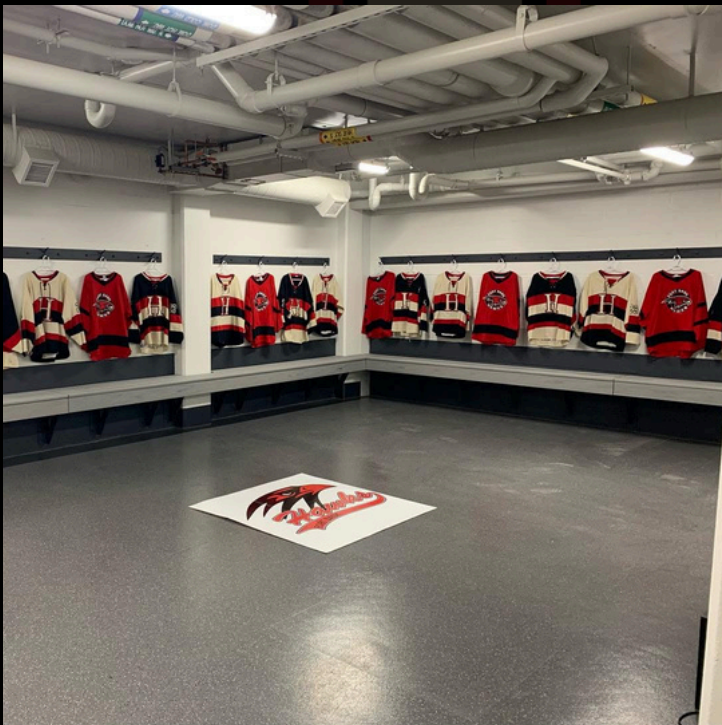

Located within the Edmonton Capital Region, the city benefits from many post-secondary options, including the University of Alberta, MacEwan University, Concordia University of Edmonton, and the Northern Alberta Institute of Technology.

OUR FACILITIES

The Hawks are proud to call the Jubilee Recreation Centre home. Recently having undergone a \$16.5 million dollar modernization, the “JRC” boasts a fixed capacity of 1590, with standing room bringing the capacity to 2000. The arena features a spacious lobby, indoor seating area, concessions, multiple flex spaces, and several modernized dressing rooms.

The Hawks are fortunate to have a dedicated space used exclusively by the team, one of the only such spaces in the Capital Junior Hockey League.
