4. New Business

There was a discussion regarding ice cancellations and whether we had to pay for ice that was cancelled by the arena and not by the Association. Brenda advised that we should not be charged if the ice time is cancelled by the Arenas.

Melissa advised that the deadline for Coach Applications for 2026-2027 will be the end of January. We will get the call out for Coaches posted on the website and Facebook. Melissa will speak to our VP of Hockey Ops so he can start to put together a panel for the Coaching Applicants interviews.

Melissa advised that the AA League will be holding Spring Tryouts again this season.

A discussion regarding keeping our ice in Kemptville took place. Melissa noted that some teams found it too late. This ice was taken last year as it would have went mostly to the U18 team. With us folding that team this year other teams needed to pick up this ice time. Deanna noted that we must keep it as we have a contract for this year. We will meet with Kemptville in the new year with hopes to grab more ice and better times in the 2026-2027 season.
