### PROPOSED AMENDMENT TO THE BYLAWS OF Rideau St. Lawrence Minor Hockey Association

At the May 14<sup>th</sup>, 2026, Special General Meeting of the Executive Board, at which 11 Board Members were present, the following amendment to the Bylaw of this Association was adopted and approved for the 2026/2027 Season: 9 in favour and 1 abstained.

#### Article 5 - Team Tryouts - Imports & Conflict of Interest

Current:

5.1(B) The RSL Kings will permit up to two (2) imports per RSL Kings team.

Proposed:

5.1(B) The RSL Kings will permit up to two (2) imports per RSL Kings team. **For the 2026-27 hockey season, RSL Executive will allow U13AA to roster up to three (3) import players and, following an extensive evaluation of all District 1 players during tryouts, potentially a fourth (4) import player, if necessary.**

Reason:

1) This cohort in the District 1 area is of a weaker calibre, and allowing higher-skilled import players would help create a more competitive team environment. This would also benefit the higher-calibre players residing within District 1 by providing them with the opportunity to develop alongside players of similar skill level.

The above amendment(s) is certified to be true and accurate.
