

As most of you will remember from last year, you need to log into your Spordle account and sign the critical waivers for your player(s). If you are new to hockey this year, here are instructions on how to check if you have a Spordle account and/or create an account and link your child to it. Every player registered has an HCR number.

Step 1: Create a new Spordle user account. You will need access to the email that you will use to create this account as a verification code will be sent to this email.

1. Go to the Spordle Sign Up page <https://myaccount.spordle.com/signup>
2. Enter your email address and click 'Next'
3. Enter the verification code that will be sent to the email address you entered and click 'Next'
4. Enter a password and click 'Login'
5. Accept ('I Agree') the Terms and Conditions and that's it, now you're in!

Step 2: Link a Member/Participant

1. From the Dashboard, next to My Members, select 'Link A Member'. Search for the individual using Name & DOB, OR HCR #.
2. Select the individual (profile) that you would like to link from the results by clicking on 'Link this member'
3. Choose the relation of the member profile you are trying to link (e.g. self, spouse) from the drop down and click 'Link'. Now that individual is linked to the current user account and will be available for future registrations. If you are unsure whether you have a Hockey Canada profile for yourself that needs to be linked please attempt the search. If you get no result you likely don't have a Hockey Canada profile.

If you are having issues approving the critical waivers, please watch this short video for step by step instructions <https://www.youtube.com/watch?v=zL7B1kRNcBo>

If you have any problems, please let us know and we will help you to complete this. It does need to be done no later than **October 15**.
