The following criteria apply to Overage Applications. The criteria that applies, and information supporting the relevant criteria, must be cited on the application or the application will be denied. Using the list below, please circle all applicable criteria on the application under *RATIONALE FOR PLAYING ONE AGE GROUP LOWER THAN AGE* section.

- A. An Overage Player may only be one year older than the age category in which the player applies to play.
- B. A player who has a physical or mental disability must have the application supported by documentation received from a medical physician.
- C. A goaltender (U13 and above) that the Minor Hockey Association wishes to play in the next lower age division in order to ice a team. The lower division team must not have a goaltender, and without a goaltender playing down, a team could not be formed.

- E. A player from a remote community whom there is no team to play on within the player's age appropriate division and for whom there is not a team a reasonable distance from the home center.
- F. A player wants to play down in order to play only within an Association's house league.
- G. A player who is in grade 12, currently registered full-time in high school, and for whom there is no program within which he/she could participate.
