2024 Playoff Rules

To be eligible to participate in playoff games, players must have played in a minimum of 50% of their team's regular season games played since the first time they were added to the roster.

Lineup cards will still be filled out for playoff games, extras will be given to coaches as needed

Only 15-minute grace periods for 6 pm playoff games

Teams must start play if they have 9 roster men at game time. **EXCEPTION: Playoff schedule movement can be made at the discretion of the Executive Board.**

Any team leading by 8 or more runs after the 5th or 6th innings will be declared the winner with no further innings played. There is no 12 or more runs after 4 innings for playoffs.

The higher seed is the home team until the championship game; the undefeated team is the home team. For the if necessary game, it will be a coin flip.

Code of Conduct:

- Mandatory pre-game meeting with team rep and manager, these will be the only two players to address umpires during the game about appeals/protests.
- No arguing ball and strikes; players that do will be warned and then ejected.
- Any vulgarity directed at an umpire is an automatic ejection.
- Vulgarity not directed at an umpire results in a bench warning given to the team manager/rep.
- Further vulgarity will result in an ejection of the player who used the vulgar language; the player must leave the field right away.
- The bench is not a "safe zone," team manager will be responsible for any insults, vulgarity or complaints coming from the bench.

If a player is ejected from a game he will be ineligible to play in any other games for any team the rest of the day or night.
