

Hannibal Meet

October 3, 2026 | Hannibal-LaGrange Golf Course, Hannibal, MO

We had very good weather going for us Saturday. Started off with a slight chill, but by race time, things warmed up some to a comfortable level. Good sunshine, and a well-done meet by Hannibal. Thanks a lot to them for choosing to step up and host again this year to complete our schedule slots. I know this is a trip of more distance for a lot of you; but please always think of this... When we have a meet in Fulton, Columbia, Moberly, etc... they are making that trip every week. So, keep in mind those teams like Hannibal, Bowling Green, Shelby County, Monroe City / County and such that make that sacrifice often for their kiddos.

Sticking with Saturday, the course was set up for speed, and the times showed it. Attendance numbers were lower due to the travel, and likely the state university's homecoming on the same day. Lots of our CMAC kids are not only XC kids... plenty do other things too. A share may have been involved in that huge parade. So, that allowed a few kids to earn a medal that have not been used to it this season. It also brought out some kids closer to that area that didn't travel as much to meets further for them.

Another thing about yesterday... an announcement needed to be made about non-racers running alongside athletes. This is WRONG, against the rules and unfair. It is in our rules. I'm assuming that each of you received the rules in the General Information file that went out at the beginning of the season. You can find it there. It doesn't matter at what point in the race. It does not matter if it is a parent, supporter, coach, sibling or teammate. This is NOT cool at all. I noticed some of it live, but noticed it a few more times while reviewing the finish camera. So, let me make this statement:

IF I WITNESS THIS IN THESE LAST 2 RACES UPCOMING, A DISQUALIFICATION WILL HAPPEN

Coaches, please make sure to have this conversation with your parents, coaches, and athletes now. Because no arguments will be heard if a disqualification happens. We are way too deep in the season to have to address this kind of situation. Parents will need to take charge of their kids that are non-athletes, as well as control themselves. But you will need to communicate this to them as well as your actual athletes. They are just wanting to be supportive, but they do need to be taught the rules. Speaking of which...

The way CMAC operates, the team head coaches ARE the meet officials. We don't have the means to go hire people to come out to officiate. So, we rely on every head coach to officiate and teach. Ultimately, we end up on the same team in the end as CMAC All-Stars for regionals and nationals. So, we need to all teach, remind, warn, and enforce. Sometimes you have to report your own team for rules violations. I certainly have in the past.

Speaking of post-season, that's coming up after the CMAC Championships meet. We'll want to have some coaches that want to take over certain age groups at regionals to guide them through walks and such. Ultimately the same for nationals in Ohio for those interested in going. Please reach out to me if this intrigues you.

The regionals information is [here](#)

The nationals information is [here](#)

Totally optional for those interested. Please don't try to force your child into post season running. It is only for those kids that absolutely love the sport. Not for those that have to be begged into practices, finishing, eating right, drinking right, running on off-days and such. We want the ones that can't wait to go compete. I will be honest about this also... post-season is not for those that are still in the walking phase at that point of the season. More information will come out to you soon regarding being part of the CMAC All-Stars.

Sticking with the CMAC All-Stars, we'll host practices open to all athletes here in Columbia at 10am for an hour. So, if you want extra work... especially if your team doesn't practice on Saturdays. Feel free to join us and hopefully some of your All-Stars future teammates. Get to know them, work with them, bond with them. Our dates are on Saturdays that we do NOT have a meet. So, upcoming practices are:

10/17 @ Philips Park in Columbia, 10/31 @ Stephens Lake Park in Columbia, 11/14 @ Gans Creek XC Course.

Ask if there are any questions.

Finally, up next is Moberly on Sunday 10/11. Spreadsheets will be due from coaches by Thursday of this week! Look out for information.

Thanks a lot.

Coach C.
