

Moberly Motion Meet

October 11, 2026 | Rothwell Park, Moberly, MO

Well, we got back to some warmer ways today after getting spoiled by the nice weather in Hannibal last week. This is an odd year. October almost ALWAYS brings us cooler temps. Hopefully that will be the case for the CMAC championships on 10/25.

Congrats to the Motion for once again putting on a well organized meet this year. It looked like plenty of the athletes were really competing hard today. Several finished in front of some others that they've been behind all this season. Congrats to all on their improvements, and big thanks to all of the coaches. And thanks to you all for a positive and supportive environment for all athletes.

Speaking of the coaches, we had a meeting before the first youth race today. That was to speak with them about regionals. On our schedule, we were set to be in Grain Valley. But, as I shared with coaches last week, there was an unexpected problem with that property. The gentleman that runs that meet informed us that he was moving the meet to Baldwin City, KS. It would have added a bit more than an hour to the drive. That was a problem for several of our teams, especially on the eastern part of our circle. CMAC has always been about accessibility, affordability, and opportunity. So, for this season we will go to St. Louis... Fenton to be more specific. It will be the same day (11/8), but in the morning, not afternoon.

Here is the information for the meet [here](#). Please do not register on that site. I'll guide you of how I want to proceed with registration soon. It will be through a Google form to be sent out at a later date. You will then pay CMAC on site.

On to the CMAC championships! This is the final meet of the season except for those wanting to participate in the post-season. We'll be looking for the best performances of the year! The meet information packet will be sent out this week to coaches and posted. FYI, we will keep the same schedule as last year. Only 4 races all day. All races will be combined with same age, and opposite gender. The first race of the day will be the 13-14 year old 4K. There will be NO adult 2K at the CMAC championships meet. Also, just as last year, expect to see some competition that you've not seen this season. But, we'll still award our CMAC athletes separately from them.

The CMAC Championships will be the last race in which the athletes will need their season's bib number. So, please keep them as a great memory. For those going forward with post-season, a number will be assigned from the timing companies at regionals and then nationals. Those can be kept after each meet; no need to turn them in afterwards.

Also, dealing with the meet... we will need volunteers to make it go as well as we'd like. This meet is FOR EVERYONE, so we want as many helpers as possible. [Here is a link to the Signup Genius to claim a spot.](#)

This approaching Saturday (10/17) is the first CMAC All-Stars practice in Columbia. EVERYONE is welcome. This is to help get the athletes to bond, and kicking up their practice a bit by being around plenty others that are working hard. Of course, there is no requirement to participate in this. But, if you want some extra training, then bring it on. The time will be 10am, and the place will be A. Perry Philips Park ([5050 Bristol Lake Parkway](#)). This is right across the street from Gans Creek XC Course. The following All-Stars practices will be 10/31 @ Stephens Lake Park, and 11/14 @ Gans Creek XC Course at the same time. Active coaches and parents from CMAC teams are welcomed to run with / pace the kids to execute the workout properly.

Thanks everyone for a great season so far.

Coach C.
