POLICE CHECK

Re: Vulnerable Sector Police Check

To: Police Services

Police Check requested for: _____
(applicants Legal name)

The Northumberland Baseball Association (NBA) requires all of their Rep/Select/House League volunteers to initiate and receive a vulnerable sector police check in order to work with the registered players (between the ages of 4 to 17 years) of the (NBA). Helping teach the fundamentals of baseball through practice, games, tournaments which include coaches, assistant coaches, managers, or anyone involved directly with the children as it relates to baseball activities etc.

I would ask that the above-named volunteers be considered for the volunteer fee associated with receiving the service of a police check, as this volunteer will be working with children unsupervised that are involved in the 2026 baseball season as a **team coach**. In this role, the above-named will be responsible for supervising, mentoring, and interacting directly with youth participants in a coaching environment. As this position involves a high level of trust and authority with children, the organization requires a Vulnerable Sector screening to help ensure a safe and supportive environment for all participants.

Should you have any questions, please feel free to contact me.
