- Practices January are released mid-late December, 2 weeks in advance (to accommodate any weather game rescheduling required)

Where possible teams will be assigned one Friday at 4:00pm practice throughout the regular season. These are full ice practices and are non-negotiable. This will count as the full ice practice in your rotation. Teams who choose not to use their 4:00pm Friday allotment, may not get another full ice to replace the dropped ice and the hour will count as part of their ice count.

Where possible all teams will be assigned practice ice in Spencerville. 1-hour time slots will always be full ice, whereas some 1.5-hour time slots may be used as shared splits.

Teams are required to notify the Ice Convenor of any practices or games times they will not need as soon as possible.

Rescheduling or changing any practices or games **must** be done through the Ice Convenor. Teams who want to swap a practice should co-ordinate with the other team and notify the Ice Convenor for updates to schedule.

Extra Practice Ice

Occasionally, when available, extra hours of ice become available throughout the weeks - these slots will be offered out through mass email to all coaches/managers. This is on a first-come/first-serve basis while keeping in mind ice touch totals and if it is a shared ice opportunity it has to be two Royals or two Storm teams. This extra ice is not for trading current scheduled practice ice, it is in addition to your current schedule.

Exhibition Games

Should your team wish to host an exhibition game, you may select your full ice practice for these games. Please ensure that you notify the ref scheduler directly to ensure cost of refs are provided and the Ice Convenor to ensure the game gets entered into the master schedule (also will notify rink staff for additional changerooms).

Note: Royals Teams must also submit Exhibition games onto the HEO permit to KDMHA Executive for approval and must not exceed the set number set by HEO.

At the beginning of each season, once the team is formed, each team will be responsible for submitting two contact names. This will be Head Coach and Manager only. Any individual contacting the Ice Convenor will be referenced back to the Head Coach/Manager.
