

Kemptville District Minor Hockey Association

Dear Prospective Sponsor:

Thank you for your interest in supporting the _____ hockey team. Because of the generosity of community sponsors such as yourselves, our team will travel across Ontario, representing the town of Kemptville. This is a great opportunity to follow the Kemptville Storm/Royals as they grow and mature.

As you can imagine, there are many expenses incurred by teams playing at this level. Your contribution will greatly assist the team with tournament fees, team apparel and general items that are required to run a well-organized team. Without your generosity, these kids would not be able to compete at this level.

The _____ hockey team greatly thanks you in advance for your generosity. Your support is truly appreciated and will be recognized on the sponsorship page of Kemptville District Minor Hockey.

Thank you,

The Fundraising Committee for the _____ hockey team
