

GHA Athlete Transfer Request

This form must be completed on behalf of any student who transfers to GHA from another public/private/charter school or other homeschool athletic program.

NOTE: Due to league rules, GHA athletes are no longer allowed to participate in competitive sports programs with other school/homeschool organizations unless it is for a sport that is not offered by GHA. Should that sport become offered by GHA in the future, the athlete will be required to either compete on the GHA team for that sport or transfer out of GHA altogether and no longer participate in any GHA sports program(s).
