On behalf of the Calgary Senior High School Athletic Association, we extend our congratulations to all athletes competing today. Your accomplishments reflect your dedication, perseverance, and the support of your school communities. With over 12,000 athletes representing over 30 public and separate high schools across various sports, we are proud to be recognized as one of North America's largest, most successful, and longest standing athletic associations, since 1913.

We sincerely thank our volunteer coaches for their time and commitment, as well as the coaches, officials, and administrators whose collaboration has sustained more than a century of athletic excellence. We also wish to acknowledge our volunteer Soccer Chairpersons for their exceptional leadership and contributions to the success of our season and this event.

Leah Conforti - Executive Director, CSHSAA
