In honor of the late Melissa Kowalski James, a Massachusetts basketball All-Star, whose passion for the game transcended the court, the "Play for MKJ" nonprofit is dedicated to empowering young athletes through the transformative power of basketball and education. We celebrate the legacy of Melissa by creating a supportive community where young athletes can build confidence, leadership, and love for the game. Our mission is to empower these athletes through access to resources that foster their growth both on and off the court, and we are committed to making a lasting impact on the lives of athletes, as Melissa did repeatedly.
