2026 SPONSORSHIP PROGRAM

WHO WE ARE?

Etobicoke Minor Ball Hockey League (EMBHL) is a not-for-profit organization established in 2015 to bring children of all ages together to enjoy the fun of Ball Hockey, off the streets and onto Dry Pads in our community.

Our Goal is to provide a fun and safe environment for the children of our community at a low cost. With your assistance we can accomplish our goal and ensure that all children can play.

Our vision is to grow the exciting game of ball hockey in Etobicoke and surrounding communities. Our motto is: **smile, run, pass, shoot, score** and let's not forget the occasional amazing **save**.

OUR NEED FOR SPONSORSHIP

As you can imagine there are significant costs in providing this program for the children of our community. To deliver our program at an affordable cost, we rely on local businesses for financial support through sponsorships. Your help would allow the EMBHL to support costs for player uniforms, youth development programs, officiating, insurance and other daily operating costs.

SPONSORSHIP OPPORTUNITIES

Ball hockey sponsorships offer many marketing opportunities to expand and reach a large audience, as well as the gratification of giving back to your local community. We recognize our ball hockey sponsors by assisting with driving business back into our community; increasing brand awareness and loyalty; driving retail traffic; cross promoting by distributing marketing material to our participants; communicating discounts/specials; highlighting community responsibility; showcasing your services/products and inviting you to come out and engage with the teams to promote your business.

With your assistance we can accomplish our goal and ensure that all children can play.
