6. Other - Questions concerns

Emailed concern - If we can look at a committed B team.

Discussion - Maybe look at a team wanting to go to provincials.

Marc -Sending our B league teams to C provincials is the way to go , very competitive set up for success. (if you are not making cuts to go to provincials)

Further discussion at our executive meetings

Adjournment : 7:50

2025 Commissioners Report

The 2025 season has come and gone with many highlights along the way. The Lasers zone ended up having 215 registrations throughout all the age groups, from U5 all the way up to U15, while the U17's officially moved on to the Selects program. The year began back in January with our Pre-season skills clinics. We also held Pitching clinics for U9's, U11's, U13's, U15's. A big thank you to all the instructors that helped us with the clinics.

Before our evaluations, our zone provided pre-tryout run throughs for each age group to help ease the nerves of the players. We held our evaluations during the first weekend in February this year at the Gordie Howe Training Center where the 222's group brought in their instructors to do our evaluations. After evaluations our zone provided numerous free turf times to help players get in game shape before the season.

Throughout our Junior League Season, we saw great success in the quality of teams that the Lasers Zone put forward. We had very good showing throughout the League play standings in all divisions and even captured the Provincial Gold medal in the U11A division.

I would like to express my thanks and gratitude to our Lasers Executive for the many, many hours spent behind the scenes working hard to keep our zone running smoothly and moving forward. I want to say thank you and I wish all the best to the members that are moving on. To the new members and the returning members have an exciting 2026.

LTP Report - Jodi Head

It was a great season.

37 -U9 athletes for 3 teams.

28 -U7 athletes for 4 teams

25 - U5 athletes for 4 teams.

Unfortunately we were unable to to have the "come try ball" event and would love to make this a priority in April.

The U5 started their season off with the help of our U13 players' mentorship at Minor Softball Night. There was lots of positive feedback from coaches, parents, and players.

The U9 Festival were players enjoyed being on the "big" diamonds with umpires.

The U7s also got to participate in "Fun Day". This was a fun day modelled after U9 festival in conjunction with the Phantom teams. We also had hotdogs and juice for those who attended.

Thank you to the older athletes that helped out.

Also new this year was trading cards for all the LTP athletes that were received with lots of positive feedback from the families.
