Type	Description	Additional Requirements	Initial
Name-Based Criminal Record Check	A query, based on name and date of birth, of active criminal files in the RCMP National Repository of Criminal Records. Used to determine the possible existence of a criminal record. Generally used as a preliminary search only to determine if a Fingerprint-based Criminal Record Check may be required. The query may also include a search of court records and a query of records management systems in other police agencies' jurisdictions through the Police Information Portal (PIP) or other data sharing systems.	N/A	
Fingerprint-Based Criminal Record Check	A fingerprint-based search of the RCMP's national repository of fingerprints and criminal record information. The results of the search will produce a document that includes criminal record information where the identity of the applicant has been verified by fingerprints.	N/A	
Vulnerable Sector Check	A Vulnerable Sector Check is the most comprehensive type of check. It includes a query based on name and date of birth of a local police agency's records management system, commonly referred to as a local indices's check. In addition to queries of CPIC Identification, Investigative, and Intelligence Data Banks. The query may also include a search of court records and a query of records management systems in other police agencies' jurisdictions through the Police Information Portal (PIP) or other data sharing systems.	<input type="checkbox"/> Form 3923 completed and attached	
Declaration of Criminal Records	This will result in the RCMP detachment providing a list of all of the criminal convictions and related information that are included on the criminal record on CPIC. This may only be provided by the detachment where the applicant lives.	<input type="checkbox"/> Form 6359 completed and attached
