## OFFICIALS INFORMATION

### 2025-26

In order to be an official for the 2025-26 season, you must be born in 2014 or earlier. To start the 2025-26 season, WMHA will only be accepting officials from the immediate drawing area based on standard house hockey locations (Warman, Osler, and Corman Park) and pending the number of officials registered, may open up registrations to the surrounding areas.

Each season officials must re-register and complete their required Hockey Saskatchewan Certifications in order to officiate that season.
