Tournament Rules

This is a sanctioned tournament and SHA rules govern the tournament for minor hockey.

All officials are SHA carded officials. The referees' decisions are final and protests are not allowed.

The "Home" Team shall wear white.

Only players listed on the roster will be allowed to play.

Overage players and APs must be indicated on the roster. Overage players must have been approved by the tournament committee prior to commencing of the tournament or they shall not be allowed to play.

Games are allotted 1-3/4 hour (this includes your warm-up).

A 3-minute warm-up. The clock will be set for the 3 minutes and will not be extended. If your team is late, it forfeits the warm-up time. Please ensure that your team is ready to go at least 15 minutes prior to the designated start time.

Pool Play Games will consist of 2 - 25-minute straight time periods and one 20-minute stop time period (unless goal differential is 5 or more then straight time for this last period).

Ice will be flooded after every 2 periods during Pool Play, if time permits. There will be a 2-minute break between periods when a flood does not occur.

Teams will switch ends following each period.

Off-sides will be called.

No timeouts are allowed.

All regular 2-minute penalties will be 3 minutes in length during straight time. Example: 4-minute minor stop time equal 6-minute straight time.

During straight time, the player serving a penalty can only return to ice during play (excluding coincidental).

In pool play, games that end in a tie will remain a tie. There will be no overtime.

If any teams are tied after Pool Play, the Tie Breaking Procedure will be as per SHA Regulation 3.09.01:

i) Best win record in games played between tied teams.

ii) If still tied, the team with the best wins record.

iii) If the two teams are still tied after i) and ii) have been applied, then the team with the best goal average gains the higher position. The goal average of a team is to be determined in the following manner: total number of goals for divided by the total number of goals for and against.

iv) If the two teams are still tied after i), ii) and iii) have been applied, the team with the least number of minutes in penalties throughout all games, gains the higher position.

Playoff Rules

A 5-minute warm-up. The clock will be set for the 5 minutes and will not be extended. If your team is late, it forfeits the warm-up time. Please ensure that your team is ready to go at least 15 minutes prior to the designated start time.

Playoff Games will consist of 3 - 20-minute stop time periods with a flood between each period—unless Playoff Rule #3 below applies.

The final period in Playoffs will transition to straight time whenever the score differential is 5 goals or more.

NOTE: the game will also transition back to stop time if the score differential goes back below 5.

Playoff Procedure when Playoff Game ends with a tie score; the overtime procedure to determine a winner will be:

5-minute straight time sudden victory period with 4 skaters and a goaltender.

If still tied, 3-player shoot out.

If still tied, goes straight to shoot out allowing each player a chance to shoot until someone scores (allowing the same number of shots from each team). Every player gets a chance before starting a beginning player again. If a player has a penalty at the time, he is the last player to shoot.

Thank you for being a positive role model for the young players and officials.

Please Note

Any player, coach or team official assessed a fighting major, gross misconduct or match penalty will be suspended for the balance of the tournament.

Any coach or team official receiving a game misconduct penalty will be suspended for the balance of the tournament.

If a spectator has been addressed by a tournament committee member, MMHA Board member or City of Melfort employee with respect to their behavior they will be ejected immediately for the remainder of that day.

The City of Melfort asks that you stay off the ice until the zamboni doors are closed.

***These rules will not be adjusted by anyone other than the Primary Tournament Rep

in consultation with the MMHA GM and/or Tournament Coordinator.

Conduct Enforcement Policy

As of October 6, 2025

This policy is brought forth by Melfort Minor Hockey (MMHA) and the City of Melfort.

MMHA has a zero-tolerance policy regarding physical or verbal abuse of anyone during MMHA events. A MMHA event is any practice, game, or any other event that is sanctioned by MMHA.

Any individual who is acting in an inappropriate manner toward anyone else, i.e. coaches, players, referees, or any other person in the arena, will be ejected from the arena.

Subsequently, the ejected individual will be banned from attending any MMHA affiliated events at the Melfort Palace or any other Arena used by MMHA for the following time:

First ejection: minimum 1 week

Second ejection: minimum 2 weeks

Third ejection: the remainder of the current hockey season. This will include any post-league play or practices. The ejected individual may attend MMHA affiliated events at the onset of the next season.

A sign will be placed in each arena with the individual's name and dates they are banned from the arenas.

If the individual does not adhere to the punishment, their suspension will double. If the individual continues to attend MMHA events, his or her child will be suspended from hockey for the equivalent time remaining on the suspension.

Any MMHA board member, arena employee, or coaching staff may address an individual for their behaviour. One warning will be given. If this is not adhered to, the individual will be asked to leave the arena. If the individual will not leave, the referee will stop the game until such time as the individual leaves the arena. As a last resort the RCMP will be called to escort the individual from the arena.

Referees will adhere to their own protocol ejections.

If the abusive individual is from out of town, they will be ejected from the game, suspended and a letter sent to their home Minor Hockey Association.

As soon as possible, an MMHA Executive member will be made aware of the ejection. If he/she deems it necessary, a committee shall be formed to discuss the issue. The MMHA Executive member shall then notify the City of Melfort of the suspension and the individuals name will be placed on the arena sign.

If the President is unavailable the Vice-President shall act in their place.
