Yorkton Minor Hockey Association (YMH) operates the minor hockey program in the City of Yorkton from the City of Yorkton and surrounding rural area. The objective of YMH is to administer, foster and promote amateur hockey for youths between the ages of three and seventeen.

We are continually looking for different opportunities to create financial efficiencies in our operations to provide our community youth with an affordable minor hockey program.

We have numerous options that we can offer businesses to promote themselves to the many visitors that attend tournaments and games every hockey season.
