Three Rivers Lacrosse Club is a 501(c)3 non-profit organization, providing an opportunity for 150+ boys and girls to learn and compete in the sport of lacrosse in a highly structured environment.

All contributions are tax deductible! Our Tax ID number is: 06-1769545

Welcome to Three Rivers Lacrosse Club

Thank you for your interest in becoming a 3Rivers Lax financial contributor. Fundraising, donations, and sponsorship are essential to the financial stability and continued operation of our youth sports program.

The 3Rivers Lax Club is a 501c(3) non-profit organization that has been supporting youth sports in Tri-Cities since 2004. We are a volunteer run organization that operates year-round to help kids learn to play lacrosse and compete in the Central Washington Lacrosse League (CWLL).

Our club was started by two high school students who were determined to bring Lacrosse to Tri-cities. They were turned down by their school district but persevered through writing and winning a grant from the US Lacrosse Association. Today we are home to over 150+ players with both boy's and girl's teams. We have the following objectives:

- To serve the best interests of the players in organizing, developing, and promoting the sport of lacrosse for youth boys and girls grades K-8
- To safely provide instruction and coaching in the game of lacrosse
- To encourage all members and players to honor the game and follow the published code of conduct

3Rivers Lax continues today, in the spirit of our founders, through volunteerism, self-sufficiency and community support. **Community-based financial support helps us budget for many expenses while providing the means to recognize and promote individual and corporate donors.** Sponsorship and donations may benefit you through community recognition, tax deductions, and advertising. Your financial support is used to:

- Help in keeping sports affordable for families and provide opportunities to low-income families
- Subsidize the purchase of equipment and uniforms
- Support field maintenance and offsetting operating expenses
- Pay our local referees and officials - typically local high school students
- Support long term goals, including the purchase of our own lacrosse sports fields and facility

Thank you in advance for your generosity, we look forward to building a lasting relationship for years to come. Together we can support our student athletes while continuing to grow the great sport of lacrosse.

Corporate and Private Sponsorship

Supporting a local youth lacrosse club is a powerful way for businesses to give back to the community and foster the growth of young athletes. By partnering with the team, local businesses can help provide valuable resources, mentorship, and opportunities for young players to develop both on and off the field. Sponsorship or donations not only enhance the club's ability to offer equipment, training, and scholarships, but also showcase the business's commitment to nurturing the next generation of leaders and athletes. Investing in youth sports creates lasting community bonds and offers local businesses the chance to build brand loyalty while making a positive impact in the lives of young players.

This year, we are excited to offer several sponsorship opportunities over a broad financial range:
